Iowa Utilities Commission EFS Filing Standards

The Iowa Utilities Commission (IUC) electronic filing system (EFS) was launched in 2009. Earlier filings in proceedings are available by request in paper from the IUC, 1375 E. Court Ave., Des Moines.

General Filing Requirements

In general, all filings related to a docket should be filed in EFS. Please review <u>lowa</u> <u>Administrative Code (IAC) chapter 14</u> for details regarding any exceptions or waivers.

Address all written communications to:

Iowa Utilities Commission Attn: Customer Service 1375 E. Court Ave. Des Moines, IA 50319

Cover Letter and Affidavit

Cover letters are not required but can be useful to IUC staff in understanding the purpose of the filing. When filing a cover letter, combine it with the filing. Affidavits do not need to be filed separately from the document; combine them as the last page of the document.

Margin Requirements and Document Stamp

PDF Files

- Text searchable preferred
- In order for the stamp to be visible on each document, one-inch margins are recommended.
- Note: Document stamping prior to July 2024 includes the IUC's previous name, as shown in the example below.

Excel Files

- 2003 or newer, .xls and .xlsx only
- Please include all cell formulae and cell references to allow IUC staff to analyze and reproduce calculations
- The system will automatically place the stamp in cell A1. We recommend you avoid placing information in cell A1; however, when downloading the Excel file, the end user may move the stamp to another location on the worksheet and save the file.

Submitting Confidential Information

If you request confidential treatment of any information in a document, you must submit a request for confidential treatment along with two versions of the document (see $\underline{199 \text{ IAC}}$ <u>1.9</u>):

- **1. Public version:** This version should be a redacted copy of the confidential filing. When you submit an Excel document, all confidential information should be redacted with formulas deactivated.
- **2. Confidential version:** This version should be clearly marked as confidential (preferably in red). Include all confidential material and formulas where applicable.

Note: If an entire document is confidential, a public version must be submitted to serve as a placeholder for reference when searching in EFS. It is the filer's responsibility when submitting a public version of any document to take appropriate measures to ensure that any embedded confidential information cannot be viewed, searched or reversed.

System Filing Requirements

You may file information in the following formats:

- 1. PDF (text searchable preferred)
- 2. MS Excel (2003 or newer) for spreadsheets and workbooks (.xls and .xlsx only)
- 3. GIS (map) Files
- 4. Accepted map file types include: kmz, kml, shp, shx, dbf, and prj

Remove all password protection or encryption from documents submitted.

Note: Filings should be kept under 15 megabytes in size and fewer than 20 documents.

<u>Signatures</u>

Live signatures are not allowed within any filed document. A signature designation of "/s/ Name" or redaction is required per 199 IAC 14.13.

Naming Conventions for Documents and Filings in EFS

When naming filings and documents, be clear, consistent, concise, and complete. When a filing contains a single document, the filing title and document title may be the same.

Filings made under the Iowa Administrative Code, the Code of Iowa, or United States Code should include the code citation in the filing title (e.g., Alternate Energy Production Annual Report, 199 IAC 15.11(3); Joint Filing of Guidelines, 199 IAC 20.2(4)(g); Fourth Quarterly Report, Iowa Code 476.29). Filing and document titles may be up to 200 characters. The file name for the actual document you attach has an 80-character limit.

Testimony

The document name for a document containing testimony should include the word "Testimony" and at least the last name(s) of the witness(es) in the document title (e.g., Smith Exhibit Direct Testimony). Testimony shall be designated using the filing party's name, last name of the witness, and then the type of testimony: "Direct," "Rebuttal," "Reply," or "Supplemental."

Example: "[Filing Party Name] Smith Direct Testimony." The testimony shall be marked and offered into evidence at the hearing.

Exhibits

Similar naming should apply for exhibits and workpapers or any other documents where the identity of the person presenting the information is key information (e.g., Smith Exhibit 1).

Any evidence supported by a witness shall be marked with the witness's last name and then Exhibit, the type of exhibit (e.g., "Direct," "Rebuttal," "Reply," "Supplemental"), and the Exhibit number. Exhibits shall be filed separately from the testimony.

Examples: "[Filing Party Name] Smith Direct Exhibit 1" or "[Filing Party Name] Smith Direct Exhibits 1, 2, 3."

Hearing Exhibits

Hearing exhibits shall be marked with the filing party's name then the exhibit number. A copy of all hearing exhibits shall be provided to the court reporter, the other parties, the Commission, and IUC staff.

Example: "[Filing Party Name] Hearing Exhibit 101."

Workpapers

Workpapers filed in support of an exhibit shall be marked with the filing party's name, then the exhibit number for the exhibit that the workpapers support, and then the word "workpapers." Workpapers do not need to be provided to the court reporter unless the workpapers are made an exhibit at the hearing.

Example: "[Filing Party Name] Smith Direct Exhibit 1, Workpapers."
