

# Company Access Request

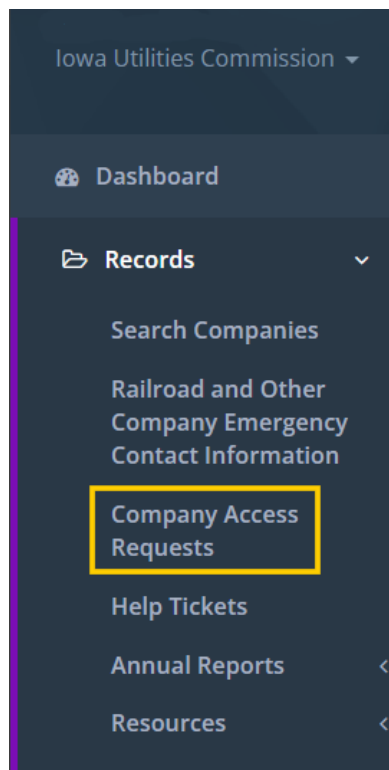

A confirmed user account is required to submit a company access request. Please see the How to Create a User Account guide found on the [IUC website](#) for steps to create an account.

A company access request must be submitted to create a new company or gain access to an existing company record. This is required to edit company information, submit an annual report, or edit company contacts.

---

## How to Submit a Company Access Request

1. Go to IUB 24/7 and log in - [iub247.iowa.gov](http://iub247.iowa.gov).
2. Use the navigation panel on the left. Select “Records” then “Company Access Requests.”

3. On the Company Access Request page, select “+ New Company Access Requests” at the top right.
